

Ideal for sensitive accounts, powerful enough for all accounts.

SCORPIO

SINGLE USE LIQUID ANT BAIT STATION

SCORPIO Single Use Liquid Ant Bait Stations contain a high performance ready to use ant bait that is suitable even for the most sensitive accounts. It is a highly palatable liquid with spinosad, an active ingredient that is new to the structural pest control market. Spinosad effectively controls a wide range of ants by contact or ingestion, destroying the queen and colony within 1 to 2 weeks.

Ants Controlled

Carpenter ants, fire ants, pharaoh ants, harvester ants, foraging ants, sweet feeding ants, pavement ants, citronella ants, moisture ants, little black ants, argentine ants, crazy ants, acrobat ants, bigheaded ants, cornfield ants, ghost ants, odorous house ants, thief ants, field ants, and other common ants.

Features and Benefits:

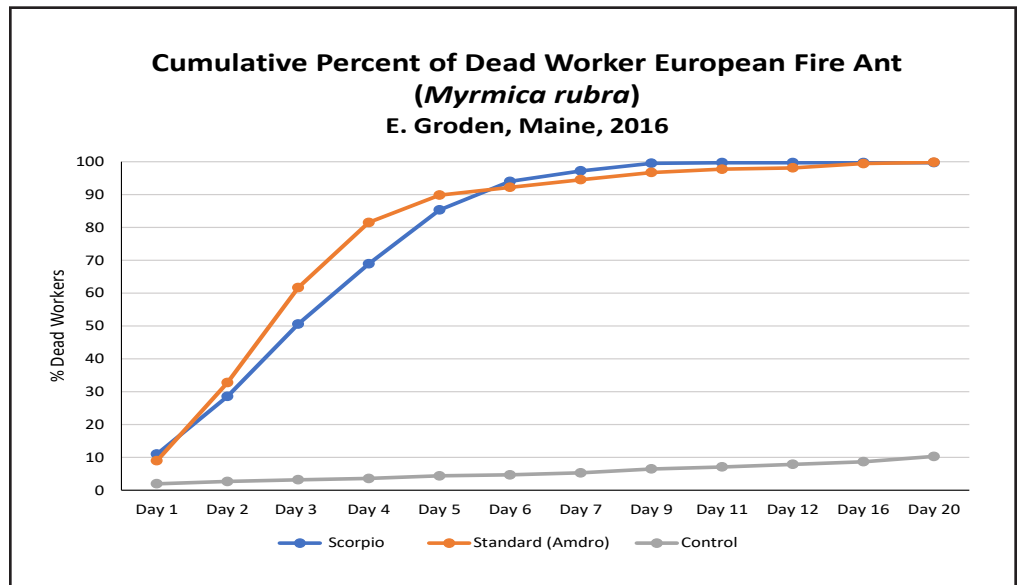

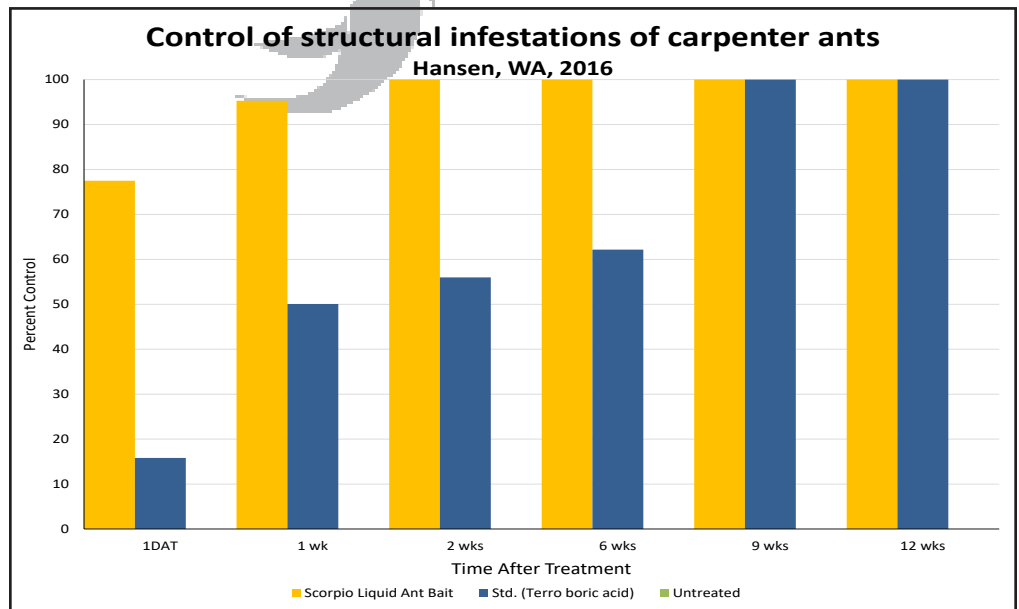

- Weatherproof ant bait station
- Versatile can be used indoors and outdoors in a wide variety sites.
- Highly palatable and very effective.
- Controls a wide range of ant species.
- Starts killing individual ants within 24 hours, the colony in 1-2 weeks.
