Cone

Keeping the performance you love (hours of run time, 30-ft spray distance), FlowZone® Series 3 introduces design updates that lead to an even better spraying experience! With an all new nozzle lineup and tank enhancements, these sprayers are a testament to the needs and wants of our valued customers.

WHAT'S NEW:

- ✓ Detachable hose
- ✓ Sealed inner electronics
- ✓ Improved serviceability
- ✓ Updated QC nozzles (TeeJet® style)
- ✓ More liquid indicator marks
- ✓ Wedge-lock wand holsters
