Hot Spot™

The Top Selling Probiotic Foam Cleaner Aerosol...Now Has More Application Options!

Product Codes:

IHSF016: 16 fl oz aerosol can

HEAF001: Re-usable 24" hose extension actuator

The Ultimate Green Cleaner that Works More Effectively than Simple Chemical Cleaners

In areas of chronic moisture and organic matter.

Contains Premium, Natural, Scum Eating Microbes and Citrus Oil

For efficient cleaning and odor elimination.

The Powerful Probiotics Actually Digest Organic Matter

The microbe spores activate when in contact with their food source (organic debris).

Thick, Rich Foam Clings to Surfaces Providing Maximum Contact for Digesting Scum and Eliminating Odors

360° Valve and Finger Actuator/Straw Provides Easy Application

To large scummy surfaces, void areas and cracks/crevices.

24 inch Extension Tube Applicator Is Available For Deep Foam Injection into Drains or Hard to Reach Spots

Many Household Cleaning Uses Including Carpet Stains, Spills, Garbage Cans and Cat Boxes

Will Not Harm Septic Systems or Municipal Water Treatment Operations

Green Zone™ Product

Naturally derived active ingredient. Suitable for green service programs.
